

JULIE DÉNOMMÉ, CEC, ACC, RSW
Executive Coach

As founder of **Lasting Leadership**, Julie is committed to helping leaders, teams and organizations develop to their full potential.

Relentlessly forward-looking coach/facilitator/trainer, Julie is known for inspiring clients to stretch beyond the known and comfortable to consciously envision and realize results that serve the highest needs of individual, organization and community. With an unwavering belief in human and collective potential, Julie brings 20 years of experience to a systems approach that builds on organizational learning, impacts shared values, vision and mission and accelerates the capacity for purposeful and transformational change.

Julie's clients are from a variety of industries in both the profit and non-profit sectors including telecommunications, business development, investment, government (local and provincial), health care, social services, consulting, advertising and journalism. Julie's hands-on change leadership and coaching experiences provide real-world appreciation for what it takes to orchestrate, maneuver and seize significant change for both individuals and organizations.

Julie's energy, wisdom and sense of humor, combined with her knowledge and experience, are assets that have allowed her to assist businesses and organizations to actualize their vision, maximize their resources and achieve their objectives. Julie's strength in leadership and team development provides clients with superior ROI.

Julie is a graduate of Royal Road University Certified in the Executive Coaching program and is an accredited member of the International Coaching Federation.

Julie is an active member of her community and adds value to the business community as a Board member of the Sudbury and District Chamber of Commerce and by volunteering on various ad hoc committees. She also volunteers as a Board member of the Alzheimer's Society.
